SGS Tecnos S.A. as Certification Body according to UNE-EN/ISO 17065 declares that the above-mentioned License Holder and Manufacturers are in compliance with factory inspection requirements of the GSE regulation:

- **Regole Applicative per il riconoscimento delle tariffe incentivanti previste dal DM 5 Luglio 2012 (QUINTO CONTO ENERGIA)**

It is ensured that the above-mentioned products are designed, assembled and tested within the European Union.

Note:

- (1) The factory inspection report number 2221/0359, dated on date 02/12/2021, covers factory locations detailed per above mentioned sites 1, 2 and 3.
- (2) Manufacturing process and components of stated models above indicated are verified in order to guarantee a constant quality level.
- (3) The report of the factory inspection conducted at the manufacturing site already includes the verification of the requirements for GSE technical rule and the relevant information are contained in the above report. The manufacturing inspection has to be periodically conducted by SGS TECNOS, S.A. on the base of internal procedures.

This certificate is valid until 15th December of 2022.

Madrid, 15th December 2021

Daniel Arranz Muñiz
Certification Manager
